## What is the International MBA program in Germany?

The MBA programme at the University of Magdeburg will provide you with the knowledge, methods and skills indispensable to professional managers the world over to achieve success. Building on a solid basis in management, accounting and finance, this programme prepares you for high level positions in foreign or multinational companies, consultancy firms, financial institutions, international organisations and other highly qualified positions. Structured as a full-time course, our MBA programme is founded on a relatively new concept specially designed for people with no background knowledge in this field but with an interest in management and economics. Prior work experience as well as a Bachelor's degree is required for admission. The language of instruction is English.

The programme's focus and the forms of teaching are tailored to the specific demands that executives expect of an education. Above all, a scientific education should equip students with key qualifications. This is the goal of our MBA programme. The focus of the programme is the systematic teaching of content that is, on the one hand, practice-oriented, but on the other hand, provides students with the ability to deal with problems in an analytical manner, to recognize structures and to design problem-solving strategies. In order to achieve this goal, the teaching of appropriate analytical techniques is a necessary requirement. Therefore, the introduction to formal methods is an important part of our study programme. It creates the prerequisite for being able to handle even challenging decision-making and planning problems.

## Place and Time of Lectures

All lectures take place on our Campus in Magdeburg. Lectures and exercises start usually at 5pm every workday and last until around 8.30pm. Therefore you can study or work during the day and enjoy lectures during the evening. Breaks are included in the lecture times. Moreover there are breaks over public holidays and during August/September.

## Tuition fees

In general, the full tuitions have to be paid in advance. Depending on your partner, installments can be possible.

Our tuitions are "all inclusive", i. e. independent of how often you are joining our lectures the tuitions are constant. Please note: tuitions do not cover living costs or health insurance, only teaching and examinations.

As an enrolled student at Otto-von-Guericke-University of Magdeburg, there is an additional semester fee of 277.90 € that has to be paid directly to the university.
